**NOTICE**

It has been observed that a number of students have either repeated their Multidisciplinary Courses in two or more semesters or have studied MD course from their corresponding Major/Minor departments. As discussed many times that the student must complete three different MD courses in first three semesters and MD course must not align with their Major/Minor departments. It is necessary that these students shall have to opt for different multidisciplinary courses. Further, in order to facilitate the students, it has been decided to give a onetime relaxation to the student. The students shall opt for a new course and the departments shall be holding special/separate class for such students. Additionally, the examination fee shall not be charged from the students for this new MD course.

In this regard, the following students are advised to be present in Examination Hall-1, Near Botanical garden on 01-11-2025 at 12:30 pm:
